DI TE MI FIDO

"UN AMICO PER SEMPRE..."

"Un amico per sempre..." è il pensiero conclusivo espresso dagli alunni delle classi terze della scuola primaria dell'I.C.CAPOLI D.D. di San Nicola la strada al termine degli incontri del progetto cinofilo "Di te mi fido".

Gli incontri si sono rivelati davvero "magici", durante i quali adulti e bambini si sono lasciati trasportare da quell'atmosfera positiva, carica di fiducia e di tanta dolcezza, che gli amici a "quattro zampe" hanno saputo creare.

Per i protagonisti principali, bambino e cane, si è rivelata un'occasione fondamentale per "raccontarsi" attraverso un tenero sguardo, una carezza affettuosa e piccoli comandi, riconoscendo l'uno l'importanza dell'altro.

Non a caso, in questi giorni, nelle classi terze è stata trattata la tematica interdisciplinare "La diversità", spunto di riflessione che ha portato gli alunni a comprendere che il cane non è un "diverso" ma "un pezzo di Mondo" che completa la vita dell'uomo con la sua amicizia e con l'insostituibile funzione di utilità sociale.

E allora amiamolo e rispettiamo perché il cane è "Un amico per sempre..."
